Commissioner of Sustainability Aristeia Cottureau
Secretary Sofia Raquel Smith
Isla Vista Community Representative Reemo Hooper

The 2023 -2024 Associated Student Government of Santa Barbara City College has done an excellent job of connecting with students, advocating for shared governance and supporting the needs of their campus community of students, faculty and staff. The ASG's accomplishments and dedication to Santa Barbara City College is highly admirable. They have shown strength, perseverance, and commitment. These students have been one of the most active, supportive, cohesive groups we have ever worked with. Their leadership is greatly appreciated and a foreshadow of what is to come with their future endeavors.
