Adriana Ramirez Huerta

Submitted by Leslie Marin Juarez

This year the Dream Center is nominating Adriana Ramirez Huerta as our Outstanding Students of the year. In my role as the Dream Center Student Program Advisor, I have had the privilege of witnessing the remarkable journey of Adriana filled with achievements and also some challenges. However, Adriana has demonstrated resilience and determination through it all. As a powerful first-generation Adriana will be the first in her family to graduate this year and embark on a new journey at Sonoma State. Adriana is someone who is admirable for not only her perseverance but also her willingness to always empower those around her. I am so proud of you! Keep shining Adriana!
